

SUPPORTING POLAR
SCIENCE AND HERITAGE
www.spri.cam.ac.uk/friends

Wednesday 11 July 2018 • Royal Geographical Society, London

**Don't miss the Annual Polar Tribute Lecture to
Dr Charles Swithinbank by the Friends of the
Scott Polar Research Institute who welcome
SIR RANULPH FIENNES**

**The World's greatest living explorer to speak of his intrepid travels and
record-breaking adventures over many years.**

The evening is dedicated to polar pioneer and scientist, Dr Charles Swithinbank who passed away in 2014. Charles' polar research and expertise greatly inspired Ran's expeditions and the evening will celebrate Charles' remarkable achievements in the extremes of the polar worlds.

Guests can also enjoy a rare opportunity to view a selection of the Royal Geographical Society (with IBG)'s historic polar collections in the Foyle Reading Room before the lecture. You can find out more about events and the work of the RGS at www.rgs.org

Proceeds from the event raise much needed funds for the vital work of the Scott Polar Research Institute. Find out more about the work of the Friends at www.spri.cam.ac.uk/friends
